

We're back in the full swing of things! Now offering Full Service washes and all Auto Detailing services. To continue to ensure safety of all customers and staff at Five Star Auto Center, all customers will still drive their vehicle through the tunnel during the wash process. We will be vacuuming and cleaning the inside of your vehicle in the front vacuum area, with the outside being cleaned and dried at the end finish area. Five Star Auto Center is still operating at limited hours which are Monday - Saturday 8AM - 3PM and Sunday 9AM - 2PM. Our Auto Repair / Oil Change facility is operating as usual under these limited hours but still offering all services for your vehicle. Should you have any questions feel free to give us a call at 916-315-0555, or reach out via social media @fivestarroclin. We thank you for your understanding and look forward to providing you world class service safely. Stay safe.
